

## **BERKELEY AND DISTRICT AGM 20/6/12 AT 8PM**

Before the meeting started Owen Simpson presented Maggie Storey from Dursley Open Door a charity that has been going for over 30 years a cheque for £800 collected from the teams charity collection. Maggie spoke of the charity and how it works. After Maggie had left Owen said this again was a low collection.

(Gilly after the meeting said if every team collected an extra £1 per game played and sent that in the collection could reach £3360.

7 divisions roughly 16 teams per division = 112 teams.

30 matches played per team x £1 x 112 = £3360 could be possible to collect.)
