

Berkeley & District Skittles League Presentation Evening and AGM

Wednesday 13th June 2018

The evening started with Lloyd Pennington stating that Pat was sorry to miss the evening but hopes everyone had a good season and are looking forward to a better one this year. Congratulations go to all winners and runners-up.

Lloyd Pennington compered the Presentation part of the evening with Owen Simpson handing out the trophies to all league, cup competitions, individual and pair competitions winners and runner-ups.

This was swiftly followed by Owen Simpson presenting the charity donation to Ray Pekala from *Breakheart Community Project Ltd* (www.breakheart.org.uk). Ray spoke about the project which was created for countryside learning, education and outdoor play and is situated in 54 acres. Ray has been involved with the project since 2009 and spoke about their work. Ray said they are always looking for volunteers and thanked everyone for the donation.

Owen asked if donations could come in a lot earlier. Only 20 teams sent in a donation out of 92 teams. He said “we are only asking for £1 a week per team”.
